

FACTS **WHAT DOES SOUTH CENTRAL STATE BANK DO WITH YOUR PERSONAL INFORMATION FROM THE MOBILE APPLICATION?**

Why? The mobile application requests access to information stored on your device such as location, camera, contacts or other features you are enrolled in to enrich and simplify your own user experience and improve our services, as well as provide additional security to protect your account.

It is important for you to understand that:

- Before granting access to this information, you will be prompted to give the application that permission.
- If you do not wish to grant that permission, you may decline.
- If you later change your mind, those permissions can be updated in your device's settings.

What? Some examples of information your app will request access to are:

- Location
 - Contacts
 - Camera
-

How? To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include safeguards and secured files and buildings.

The application information is retained in accordance with state and federal record retention laws. Please contact us to determine specific timeframes for your personal stored information and if that information may be deleted.

Questions? Please contact South Central State Bank at 402-756-3311 regarding questions about the information included in this Mobile Privacy Disclosure or questions about this application.

You can also access the bank's full Privacy Policy at www.southcentralstatebank.com under the Awareness tab.
